Pethealth Inc. to Increase Size of Public Offering to \$5.75 Million

Oakville, Ontario; December 4, 2009 - Pethealth Inc. ("Pethealth" or the "Corporation") is pleased to announce that Industrial Alliance Securities Inc. (the "Underwriter") has increased the size of the previously announced public offering by an additional amount of \$1,250,000, on the terms set forth in Pethealth Inc.'s earlier press release. As a result of the increase in the size of the offering, there will no longer be an over-allotment option held by the Underwriter. The total size of the deal is now \$5,750,000. The proceeds of the offering shall be used primarily for general and administrative expenses and for working capital.

Pethealth is North America's second largest provider of medical insurance for dogs and cats to pet owners, operating in Canada, the United States and the United Kingdom. In addition, the Corporation is the leading provider of management software to North American animal welfare organisations through its SaaS-based application and is the leading provider of pet related database management services to the North American companion animal industry. Pethealth offers a unique range of products and services for veterinarians, shelters and pet owners through a number of wholly owned subsidiaries using a range of brand names including PetCare, 24PetWatch, Pet Protect, Petpals Direct, ShelterCare, PetPoint, PawsConnect and Petango.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful. The securities have not been registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

This news release contains certain statements that constitute forward-looking information within the meaning of applicable securities laws ("forward-looking statements"). Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of Pethealth Inc., or developments in Pethealth Inc.'s business or in its industry, to differ materially from the anticipated results, performance, achievements or developments expressed or implied by such forward-looking statements. Forward-looking statements include all disclosure regarding possible events, conditions or results of operations that is based on assumptions about future economic conditions and courses of action. Forward-looking statements may also include, without limitation, any statement relating to future events, conditions or circumstances. Pethealth Inc. cautions you not to place undue reliance upon any such forward-looking statements, which speak only as of the date they are made. Forward-looking statements relate to, among other things, the finalization of a definitive underwriting agreement. The risks and uncertainties that may affect forward-looking statements include, among others: economic market conditions; the ability of the parties to conclude a definitive underwriting agreement on mutually agreeable terms; and other risks detailed from time to time in Pethealth Inc.'s filings with Canadian provincial securities regulators. Forward-looking statements are

based on management's current plans, estimates, projections, beliefs and opinions, and Pethealth Inc. does not undertake any obligation to update forward-looking statements should assumptions related to these plans, estimates, projections, beliefs and opinions change.
